

CORMORANT LAKE'S WATERSHED DISTRICT

APPLICATION FOR LAKESHORE IMPROVEMENT PERMIT

District Regulation No. 4: No filling, excavating or grading shall be done on any premises within 300 feet of any public waters of said District unless permission is granted by the Board of Managers of said District. Application to fill, excavate or grade shall be made in writing to the Secretary of the District stating the location of the premises and the amount of filling, excavating and / or grading planned. Such application shall be approved or rejected by the Board within thirty (30) days thereafter.

Permits must also be obtained from the Becker County Zoning Administrator for similar work within 1000 feet of public waters, and from the Minnesota Department of Natural Resources for similar work in public waters.
